Beautiful home with open floor plan and cathedral ceilings. Recreation/Family room in the lower level walks out to the back yard. There is a fourth bedroom and full bath on the lower level. Primary bedroom has tray ceiling, walk-in closet, jetted tub and separate shower. You will love this contemporary split foyer with its unique and functional floor plan. There is a deck with stairs to the fenced back yard through the kitchen dining area. A large breakfast bar has room for four bar stools. This is a must see home!
